Find an article that tells you the following information and include this information about your quarterback's charity work:

- 1) Who (obviously this is your quarterback!)
- 2) What (what did your quarterback do?)
- 3) Where (where did the charity work happen?)
- 4) When (when did the charity work take place?)
- 5) Why (why do you think your quarterback chose this particular charity?)
- 6) How (how can fans get involved?)

Click on "Citation" and print. (Staple this information to this worksheet.) You will use it later in your Power Point for making a citation for this article.

Using the 5 W's and 1 H formula, write a paragraph that you can use for your presentation.
